Smokers' Oasis™

1-1/4" dia. dual entry openings for easy cigarette butt disposal.

Fire-safe steel construction won't melt or burn, and cleans easily with a damp cloth.

Weather resistant 5-Stage *EXL-COAT™* TGIC Polyester Powder Coat Textured finishes helps prevent unsightly cigarette burn damage.

Industrial hasp closures are welded to each side of the unit, securely fastening the top to the base, thus reducing oxygen access which helps contribute to the self-extinguishing design.

4-Gallon removable galvanized bucket with bail contains and conceals thousands of cigarette butts and reduces maintenance time.

Vinyl base pad protects both the floor and the unit.

The first affordable, all steel, aesthetically pleasing, use anywhere, cigarette butt disposal receptacle.
